

An ACT to preserve racial integrity

Approved March 20, 1924.

1. Be it enacted by the general assembly of Virginia, That the State registrar of vital statistics may, as soon as practicable after the taking effect of this act, prepare a form whereon the racial composition of any individual as Caucasian, Negro, Mongolian, American Indian, Asiatic Indian, Malay, or and mixture thereof, or any other non-Caucasic strains, and if there be any mixture, then, the racial composition of the parents and other ancestors, in so far as ascertainable, so as to show in what generation such mixture occurred, may be certified by such individual, which form shall be known as a registration certificate. The State registrar may supply to each local registrar a sufficient number of such forms for the purpose of this act; each local registrar may, personally or by deputy, as soon as possible after receiving said forms, have made thereon in duplicate a certificate of the racial composition, as aforesaid, of each person resident in his district, who so desires, born before June 14, 1912, which certificate shall be made over the signature of said person, or in the case of children under fourteen years of age, over the signature of a parent, guardian, or other person standing in loco parentis. One of said certificates for each person thus registering in every district shall be forwarded to the State registrar for his files; the other shall be kept on file by the local registrar.

Every local registrar may, as soon as practicable, have such registration certificate made by or for each person in his district who so desires, born before June 14, 1912, for whom he has not on file a registration certificate, or a birth certificate.

2. It shall be a felony for any person willfully or knowingly to make a registration certificate false as to color or race. The willful[sic] making of a false registration or birth certificate shall be punished by confinement in the penitentiary for one year.

3. For each registration certificate properly made and returned to the State registrar, the local registrar returning the same shall be entitled to a fee of twenty-five cents, to be paid by the registrant. Application for registration and for transcript may be made direct to the State registrar, who may retain the fee for expenses of his office.

4. No marriage license shall be granted until the clerk or deputy clerk has reasonable assurance that the statements as to color of both man and woman are correct. If there is reasonable cause to disbelieve that applicants are of pure white race, when that fact is stated, the clerk or deputy clerk shall withhold the granting of the license until satisfactory proof is produced that both applicants are "white persons" as provided for in this act. The clerk or deputy clerk shall use the same care to assure himself that both applicants are colored, when that fact is claimed.

5. It shall hereafter be unlawful for any white person in this State to marry any save a white person, or a person with no other admixture of blood than white and American Indian. For the purpose of this act, the term "white person" shall apply only to the person who has no trace whatsoever of any blood other than Caucasian; but persons who have one-sixteenth or less of the blood of the American Indian and have no other non-Caucasic blood shall be deemed to be white persons. All laws heretofore passed and now in effect regarding the intermarriage of white and colored persons shall apply to marriages prohibited by this act.

6. For carrying out the purposes of this act and to provide the necessary clerical assistance, postage and other expenses of the State registrar of vital statistics, twenty per cent of the fees received by local registrars under this act shall be paid to the State bureau of vital statistics, which may be expended by the said bureau for the purposes of this act. 7. All acts or parts of acts inconsistent with this act are, to the extent of such inconsistency, hereby repealed.
